

2013 PORT DOUGLAS RETREAT

ITINERARY PREPARED FOR PMC CLUB TRAVEL

To All PMC Members.

In 2011, 25 PMC members took the opportunity of spending a week in Broome after the TIC conference in Perth, and because they enjoyed themselves so much, many requests have been forwarded to have another post conference retreat.

After the 2013 TIC conference in Brisbane (March 18-24) why not take a few days and have a relaxing holiday whilst seeing a beautiful Australian destination and sharing some fun times with fellow PMC members.

A terrific property, situated on beachfront, with absolutely superb facilities, has been reserved for the group. The property lacks for nothing and is a short stroll into the city centre. The property has apartment style accommodation with beautiful state of the fittings, pool side, and BBQ facilities.

Activities are also available for those who would like to go to the Daintree, do an evening sunset cruise, snorkling in the Barrier reef, scuba diving, visit Cape Tribulation. There is such a lot to see and do or simply sit back and relax.
