

Hello from Club Travel!

Enjoying our vacation in Canada and Alaska

September 5, 2012

Now in the 3rd week after disembarking from the splendour of the Alaskan cruise from Alaska to Vancouver, having spent 2 nights in Vancouver and touring to Whistler Mountain, site of the 2010 winter Olympics. We experienced the breathtaking views on the peak to peak gondola with an 8km ride from Whistler to Blackcombe Mountain.

After saying a sad farewell to 7 members travelling back home, 15 of us boarded the Rocky Mountaineer with gold leaf service for a 2 day world renowned train journey to Banff, in the heart of the breathtaking Rocky Mountains. During the journey we did see a few black bears, mountain sheep and elk.

The town of Banff is that of a picture book. Quaint, colourful and full of tourists!!! Everywhere you turned you can see the amazing different colours of mountains. With fresh snow falling during our stay, ones' imagination could feel what the winters would be like.

Now we are touring around the next 6 days in our own private coach with a driver guide whose knowledge of the area is awesome. The group will be given a very special insight to the history of the area.
