Dear PMC Members,

The PMC group of 13 members currently touring South America are certainly experiencing some amazing "WOW" experiences. Arriving in Santiago (Chile) after a relaxing flight from Australia in business class, the group travelled to Ecuador for a 4 day cruise on the boutique ship "Galapagos Legend" around some of the Galapagos Islands. The amount of wild life we saw was simply the best. Large turtles, land and sea Iguanas, Blue Footed Boobies, Frigate birds, Sea Lions and pups, Lava Lizards, Penguins, Hawks, Falcons, Galapagos Sharks, Darwin Finches to name a few...

On Bartholomew Island we were lucky to see the Frigates and Blue Footed Boobies in mating season and a Sea Lion with her pup suckling. Having a good SLR camera with a large zoom certainly paid off for Wendy and Sharyn as they won 1st and 3rd place in the cruise best photo shot competition.

Next stop Quito.
