

Cruising, Shopping, Relaxing!

Post 21st National Conference Noosa, QLD

March 2nd 2015

Hi PMC Members

Just to drop a short note to let you know that after the great 21st National Conference a number of the exhausted PMC members travelled up to Noosa for a week to relax and enjoy the company of 13 other members. We drove up from Brisbane and found that the rainy weather had moved on and that sunny weather was on offer for the coming week.

Sharyn Bojczenko our Club Travel agent, had arranged the hire of two up-market homes right on the river at Noosa Heads. With only a short walk over the bridge it was not too far to walk for exercise for swimming on the beach, meals at a few restaurants, shopping for food and of course real girl shopping.

There was lots to do every day as well as just sit around and swim in our own pool. One of our group became the Head Chef and directed us all in the art of home cooking - great curries, BBQs and left overs.

We also visited a few of the local tourist spots, such as Mary Cairncross Reserve and saw the small pademelon marsupial in the rainforest, views to Glasshouse Mountain, Buderim Ginger factory, sunset cruising on the Noosa River and great breakfasts with the birds, ducks and lorikeets. Not ready for the return to normal activities, but need to get ready for next year's retreat.

Cheers,
Wendy Priestly
